

Dear

I'm writing this letter because there is something burning inside of me that I have wanted to tell you for the longest time. We have a very exiting love life, and I am thrilled by the fun we add into the bedroom. However, there is one fantasy of mine that I've wanted to do for as long as I can remember. I'm writing this letter because I don't know how to bring it up to you in person.

My deepest, darkest fantasy has always been to be locked in chastity, by you. I would love to surrender all control to you, with you holding onto the keys and only you deciding when I come out. I believe this would add a new flavor of spice into our relationship, and give us an opportunity to have even more fun!

This is a fantasy I have dreamed about for ages, but I haven't had the courage to bring it up to you. I would love to explore this fantasy with you, but only if you are on board with me, as this fantasy would not be complete without you. Please take some time to consider it, and let me know what you think.

Yours Truly,
